<b>Chalice Lighting</b>	<b>“Bold and Courageous Together”</b> by Rev. Erika Hewitt	Suzanne Borth
	<i>With full hearts, we affirm our relationships with one another; we recognize our agency and our connective power; and we accept our responsibility to be bold and courageous. We light this chalice, symbol of all that we are, all that we have done together, and all that we will be as our shared ministry encourages those within, and beyond, our walls.</i>

*Let us covenant with one another to keep faith with the source of life  
knowing that we are not our own, earth made us.  
Let us covenant with one another to keep faith with the community of resistance  
never to forget that life can be saved from that which threatens it  
by even small bands of people choosing to put into practice  
an alternative way of life. And let us covenant with one another  
to seek for an ever deeper awareness of that which springs up inwardly in us.  
Even when our hearts are broken by our own failure  
or the failure of others cutting into our lives,  
Even when we have done all we can and life is still broken,  
there is a Universal Love that has never broken faith with us  
and never will. This is the ground of our hope,  
and the reason we can be bold in seeking to fulfill the promise.*

### **Chalice Extinguishing**

Please join us in our words to extinguish the chalice:

***As we go forth, may we carry the flame of Love,  
and Peace with Justice, until we meet again,  
Blessed be.***
