Chalice Lighting

“Out of the Flames”

by Rev. Sara Eileen LaWall

Maureen Bauman

*Out of the flames of fear
We rise with courage of our deepest convictions
to stand for justice, inclusion, and peace.*

*Out of the flames of scrutiny
We rise to proclaim our faith
With hope to heal a fractured and hurting world.*

*Out of the flames of doubt
We rise to embrace the mystery, wonder and awe
of all there is and all that is yet to be.*

*Out of the flames of hate
We rise with the force of love
Love that celebrates our shared humanity.*

Out of the flames we rise

▲ Commission + Benediction

Carol Koons

*May we recognize the divine
When it appears on our thresholds
And gladly offer a place at our tables
May we look to join with all justice seekers,
Offering welcome, hospitality and solidarity
Liberation is not the freedom of a few
But the joyful realization of possibility for all.*

Extinguish Chalice + Closing Words

*As we go forth, may we carry the flame of Love,
and Peace with Justice, until we meet again,
Blessed Be*
